

- * From the A30, take the Launceston exit.
- * At the end of the sliproad turn left (this is Western Road).
- * Follow Western Road, going straight on through the traffic lights.
- * Follow the road around quite a sharp left hand bend, down the hill, (this is now St Thomas Road).
- * Take the first turning right, Wooda Road, then first right again into Tower Street.

We suggest that our visitors park in the car park near the top of Tower Street, you will see the car park entrance on the left hand side immediately after the small cream Salvation Army building.

- * Walking from the car park, come out of the entrance and turn immediately left, walking up past the Bell Inn.
- * Turn left at the top of the road, you will pass St Mary Magdalene Church on your left.
- * Continue straight on until you see the 'Arcade' building in front of you.
- * Turn left here and you'll see a single storey building marked 'Launceston Youth Partnership'.
- * The Cornwall Community Foundation offices are located in this building.

The walk from the car park is just a couple of minutes from CCF
